Alfred's Basic Piano Library offers seven perfectly graded beginning series which are designed to prepare students of all ages for a successful musical learning experience. With the exception of **Alfred's Basic Adult Piano Course**, which is complete in itself, all of the beginning series are interchangeable at several levels (see arrows below), and lead into the main **Alfred's Basic** course, which is complete through Level 6 (seven levels all together). This course, then, is the most flexible of any method in allowing the teacher to personally design a specific curriculum according to the age and needs of each individual student. On completion, the student is ready to begin playing the great piano masterworks.
